RALLY AT THE U.S. CAPITOL

The grassy lawn directly in front of the west face of the U.S. Capitol Building

Permit pending; exact location subject to change.

Tell the Senate: Strike Title III. Protect Section 106.

The Senate's permitting bill, the Bipartisan American Affordability and Jobs Act (BAAJA), would gut Section 106 of the National Historic Preservation Act and put the places that tell America's story at risk: cemeteries, battlefields, sacred sites, and the landmarks where history happened.
